

Certificate No:

JRC16N0630

This is to certify that the nominated size and quality of the following AMG product has been manufactured, inspected and tested to conform to AS4344 with the following results.

### MILL/TEST CERTIFICATE

Description:

G80 10MM CALIBRATED FEED CHAIN,  
Black Painted Protection.

WLL:

3200KG

Batch Number:

3051

Date:

11/07/2016

Proof Load:

63Kn

Breaking Load:

131.8Kn

Elongation:

22%

Markings:

AMG, 8M, 3051
